BRIEF ABSTRACT OF LETTER.

Requests that the time limit allowing option to existing Teachers of aided schools to insure in the State Life Insurance up to Decr 1914 as per para 3 of G.O. No. 1500-1547-15 may be extended till the end of Decr 1915.

NOTES AND ORDERS.

It is stated that there are still a few aided school teachers who have failed to insure before Decr 1914 & are desirous of benefitting by the concession allowed in the G.O. of the 24th April last. The present proposal

is to give a further chance to those men that had lapped behind. It will be seen in the draft of April last that the time intended to be allowed ~~was~~ in the first instance was on up to June of last year - but the the Dewan had considered ~~to~~ struck it & substituted Dec instead. Whether in such circumstances further extension may be allowed is for consideration.

The Financial Secretary

to the Government of His Highness

the Maharaja of Mysore, Bangalore.

SIR,

Referring to Government Order No: F1: 5008-10/B.47-13-1 dated 24th April 1914, throwing open the benefits of the Mysore State Life Insurance to the Aided School Masters, I have the honor to state that as required in its Clause 3, several Masters who have been in employment prior to 1st July 1914, have exercised their option to insure their lives before the end of December 1914. There would still appear to be a few more who have not done so, as is apparent from a proposal received from one Seetharamiah employed in the Aided School at Shirikoppa, which is dated 28th January 1915.

As this proposal cannot be now entertained under the above Government Order and as it is desirable that these Masters should be encouraged in every way to take advantage of the concession offered them, I beg to suggest that the time limit by Clause 3 of the above Government Order may be extended till the end of December 1915.

I have the honor to be,

Sir,

Your most obedient servant,

M. N. Krishna Rao
